## **Martin Midstream Partners Announces Increased Quarterly Cash Distribution and Correct Record Date for Its November 14, 2013 Cash Distribution**

KILGORE, Texas, Oct. 25, 2013 (GLOBE NEWSWIRE) -- Martin Midstream Partners L.P. (Nasdaq:MMLP) announced its quarterly cash distribution of \$0.7825 per unit for the quarter ended September 30, 2013 in a press release issued yesterday. The announcement reported an incorrect record date for the November 2013 cash distribution. The corrected information is provided below. We apologize for any confusion this error may have created.

This quarterly distribution increased \$0.0025 per unit from the distribution paid in the prior quarter. The distribution is payable on November 14, 2013 to common unitholders of record as of the close of business on November 7, 2013. The ex-dividend date for the cash distribution is November 5, 2013. This distribution reflects an annualized distribution rate of \$3.13 per unit and is based on Martin Midstream Partners' current and expected operating performance and the current general economic, industry, and market conditions affecting it.

In addition, Martin Midstream Partners plans to publicly release its financial results for the quarter ended September 30, 2013 after the market closes on Wednesday, October 30, 2013 and intends to file its quarterly report on Form 10-Q for the quarter ended September 30, 2013 after the market closes on Monday, November 4, 2013.
